§ 4.1 Applicability and scope.

The applicability of the regulations in this part is described in § 1.2 of this chapter. The regulations in this part also apply, regardless of land ownership, on all roadways and parking areas within a park area that are open to public traffic and that are under the legislative jurisdiction of the United States.

§ 4.2 State law applicable.

(a) Unless specifically addressed by regulations in this chapter, traffic and the use of vehicles within a park area are governed by State law. State law that is now or may later be in effect is

adopted and made a part of the regulations in this part.

(b) Violating a provision of State law is prohibited.

§ 4.3 Authorized emergency vehicles.

(a) The operator of an authorized emergency vehicle, when responding to an emergency or when pursuing or apprehending an actual or suspected violator of the law, may:

- (1) Disregard traffic control devices;
- (2) Exceed the speed limit; and
- (3) Obstruct traffic.

If the operator is physically incapable of reporting the accident, an occupant of the vehicle shall report the accident to the superintendent.

(b) A person shall not tow or move a vehicle that has been involved in an accident without first notifying the superintendent unless the position of the vehicle constitutes a hazard or prior notification is not practicable, in which case notification shall be made before the vehicle is removed from the park area.

§4.10

36 CFR Ch. I (7–1–05 Edition)

(c) Failure to comply with a reporting requirement specified in paragraph (a) or (b) of this section is prohibited.
